Eat & Drink, Connect & Create

There are two locations of the Hope Street Café. *Hope Street Café on Boundary* is located in the heart of West End at 170 Boundary Street and *Hope Street Café* is based at the Brisbane Common Ground building at 15 Hope Street in South Brisbane.

Hope Street Café is a social enterprise by Micah Projects providing this space for community and culture, for training and employment, and for events and exhibitions. The Hope Street Café is a non-profit business connecting the community with people who have been excluded from the workforce, in defence of local food production and a diverse, inclusive local neighbourhood.

Hope Street Café is also a blank canvas, and the colour and life is supplied by the people on both sides of the counter. Come eat, drink, connect, and create with us and be part of creating a community of hope.
