AS PART OF THIS COURSE

You only need to have finished Year 10, even if it was a long time ago! Remember, this course isn't about what you already know. It's about helping you gain the tools and abilities you need to be successful in further studies.

SHOULD I HAVE ENGLISH AS A FIRST LANGUAGE?

The expectation is that you will be able to read, write, translate and communicate in English in order to make the most of the course. But don't let this stop you. You will need to be able to complete a language, literacy and numeracy (LLN) assessment for most certificate qualifications and this course will help you get to the right level. If you have concerns, talk to us and we will help you prepare.

CAN I GET ADDITIONAL QUALIFICATIONS?

Absolutely. That's exactly what our study booster course is about. You will graduate from this course with Certificate of Attainment for Units completed and you can choose to start one of our Certificate III qualifications straight away.
