

# CERT II Automotive Vocational Preparation AUR 20716

MultiLink in co-operation with the Motor Trades Association Institute (RTO31529) are offering a Certificate II Automotive Vocational Preparation and modules from the FSK 20113 Certificate II Skills for Work and Vocational Pathways.

The program includes Certificate II Automotive Vocational Preparation and modules from the FSK 20113 Certificate II Skills for Work and Vocational Pathways.

The program is a 12 week 4 day week program and includes;

First Aid, Resume preparation and Interview skills training, work experience placement, driving license support, all designed to provide participants with a supportive Motor Trades career pathway and employment or apprenticeship outcome.

## Eligibility

15 years or older, No longer enrolled in school, culturally diverse, Australian resident or a temporary resident with work permit, New Zealand citizen or unemployed and on Centrelink payment for at least 6 months.

The accredited training will be delivered at the MTAQ Eight Mile Plains "State of the Art" facility.

Starting Date September 2020

To register please contact Paul Bailey (Employment & Training Facilitator) on 0449 210 069
