Important information about affordable housing by BHC

BHC aims to provide long term, sustainable housing options for Brisbane residents. *BHC affordable housing* properties are available for an initial lease term of 6 months, with the potential for extension.

BHC affordable housing properties are close to transport and local services but have limited onsite parking.

Rents for properties leased under *BHC affordable housing* are set at less than 75% of the market rates and are reviewed annually. Prior to offering a property to a tenant, BHC will use the income information you have supplied to ensure your affordability for the property you are applying for. We use an affordability benchmark of 40% of weekly income. We will also factor in Commonwealth Rental Assistance as part of the income affordability check.

BHC affordable housing tenants are required to participate in an annual check of eligibility in relation to income and assets. Increased income eligibility limits apply after the first year. Please ask and we will be happy to provide further information.
